

SOME COMMON QUESTIONS FROM VENDORS

How many hours will the exhibits be open?

The convention schedule has 18.5 hours set aside for exhibits to be open.

How many convention attendees do you expect?

On the conservative side we are expecting 200 but with improvements in the economy we might see numbers reflecting previous AGO Regional conventions, possibly 225-250. Please note Region V has more members than any other AGO Region so numbers in the 250 range are not unreasonable.

What is the size of the display area?

The exhibit hall is 5,400 sq. feet.

Are there any other advantages?

Yes. Our current plans include all receptions to be in the same area as the displays. The number of people drawn to the exhibit hall for the receptions will certainly increase time for convention attendees to ask questions, browse and buy.

Do vendors receive any perks?

Yes. Each vendor renting a 6' x 3' table or a 9'x 6' display area receives one free registration. Two complimentary registrations are provided when renting a 12' x 12' display area. All registrations be submitted by May 1, 2011. See the website for more information (www.2011lexingtonago.com). *The free registration does not include transportation nor meals.* These are available at an additional cost of \$110 per transportation ticket and \$100 for four meals. Please include payment for these items with your convention registration.

There is free parking and free breakfast for anyone registered to stay at the Marriott. All vendors must make their own hotel arrangements.
